How does the scheme work?

There are two ways (**Options**) of getting help with the cost of transport.

You can only choose **ONE** option.

Option 1 – New National Bus Concession

You can use this pass to travel for free off-peak on local buses anywhere in England.

Option 2 - Travel Voucher Scheme (Mobility Impaired)

This option is for people of any age who have severe mobility problems and cannot use local public bus services. These vouchers are for users of Swindon Dial-A-Ride and other community transport. If you are wheelchair dependent you can use the vouchers to travel on certain taxis and private hire car operators. The vouchers **cannot** be used on local public bus services.

The vouchers £80 a year (pro rata) come in one book. Your photograph will be on the front of the booklet. Vouchers are used to pay towards the cost of your journey.

If you only use community transport services occasionally but are sometimes able to use local public bus services, you may find it better to choose Option 1.

Companion Allowance

A Companion Allowance is available locally for people who are so severely disabled as to require assistance in order to travel on public transport, Swindon Dial-A-Ride or other community transport. You will be asked to provide information to support your application.

Blind Persons Bus Pass

This is a bus pass for people registered as severely sight impaired (blind). You can use this pass to travel free of charge on bus services throughout Swindon and Wiltshire at any time. You will be charged if you travel before 9.30am outside of Swindon and Wiltshire. If you choose to have a companion bus pass you will not be able to use it before 9.30am.

Limits of use:

Options 1 will be accepted from 0930 to 23.00 on Mondays to Fridays. It can be used at any time on Saturdays, Sundays and Bank Holiday.
